

26th Annual Kings Youth Basketball Pre-Season Invitational

Girls: November 13-15, 2020
Boys: November 20-22, 2020

Rules

1. All referees are certified Class 1 or 2 officials.
2. Running clock, stops last 2 minutes of 2nd half. Max 5 minute Warm up and 3 Min halftime. Clock to stop on excessive Free Throw time. 2-minute overtimes.
3. Man-to-Man defense. Help defense/double-teaming permitted with no restrictions.
4. No zone defense in the front court. There will be one warning, then a technical foul assessed. A zone press is allowed but teams must fall back into a man-to-man defense. Coaches are not allowed to have players just stand in the paint. They must play true help side defense and move with the player they are defending.
5. Full court press for the entire game for 5th and 6th grade levels. Only the last 10 mins for 4th grade level. No press with a lead of 15 points or more.
6. There will be a running clock once a lead reaches 20 points. It will run on free throws as well and will go back to stop and go when the lead drops below 20 points. **NOT APPLICABLE FOR 2020!!!**
7. Two (2) time-outs per half (no carry-overs to 2nd half). Teams will get one time-out per overtime (no carry-over from regulation or prior overtime periods).
8. Three (3) point shots will be allowed for all grade levels.
9. 3 games guaranteed. Pool-play format with advancement to Championship Bracket. Individual 1st and 2nd place medals will be awarded.
10. Free throw distance:
 - 4th Grade: 12 feet
 - 5th and 6th Grade: 15 feet
11. Tiebreaker to determine pool winners:
 - Head to Head Competition.
 - Total margin of victory (15 points maximum per game).
 - Least points allowed.
 - Total points scored.
 - Coin flip.

Note: Depending upon number of teams in the pool and the pool set-up, Tournament Directors retain the

discretion to fill and seed Championship brackets to ensure the most competitive outcome. Tournament Directors can also move teams around in bracket play to keep teams from playing the same teams as pool play and/or communities with multiple teams in the same division playing each other in round 1. **This is a pre-season tournament so the goal is to give teams a variety of opponents to play against and ensure every team has the most positive experience possible.**

12. First technical and all coaches must sit on the bench. Second technical on a coach and the coach must leave the building.

13. Only two (2) coaches are allowed to be on the bench at a time and only the head coach is allowed to stand and speak to officials.

14. Any parent/fan working the clock or book at the scorer's table is not permitted to address the officials in a negative way. Any such activity could lead to an immediate ejection.

15. Tournament Directors reserve the right to punish any player, coach, parent or fan how they see fit for unruly behavior.

16. All other rules covered in the OHSAA do apply as well.

17. There will be a gate charged at every gym during the tournament. \$1/kids and seniors, \$3/adult and \$5 per 2 adults (only pay once per day).

2020 Covid stipulations: The KBA Board has decided to adapt the same rules that CPYBL will use this year for our youth basketball program. Below are the rules that we ask all teams to adhere to during our Preseason Tournament:

- Only (2) people/human beings will be permitted into each game **per player** at all CPYBL and Kings Internal regular season and tournament games with no exceptions.
 - While coaches and gym monitors will assist in monitoring this mandate, we are expecting all Parents to follow these rules accordingly.
- Facial Coverings/masks must always be worn by all spectators and coaches and by players as they enter the building, when they are not in the game, and when exiting the building.
- Gyms and gym seating will be marked for social distance requirements, including the bench area, and we ask that parents respect these and sit with their family unit only during contests.
- Teams will not be able to enter gymnasiums until the other game prior has finished and teams have exited the building.
 - Parents and Players should remain in their vehicles until their head coach signals it is ok to enter the facility.

It is the responsibility of each coach to know and understand the above rules. Questions prior to the tournament can be forwarded to the Tournament Directors.
